To whom it may concern

Dear Madame or Sir

It is with great enthusiasm and pleasure that I am writing this letter to certify three months of internship for Cerra from USA in Tanzania.

Cerra took three months internship at White Orange Youth in Tanzania, the organization that works with vulnerable children and youth by providing them with psychological counseling services while promoting the right of kids to access universal primary education. Cerra started her intern from June to August 2016

During this period she involved in the following activities:

- Conducting video interview to some of past WOY volunteers
- Attended the stakeholders meeting for advocacy of deaf education and wellbeing in Kilimanjaro region
- Attended education session on LGBT
- WOY website design
- Attend African child day event

Cerra possesses the following principle strengths: quick learner, hard worker, talented, resourceful, and respectful.
